DELEGATE HANDBOOK

APRIL 2-5, 2015
CHICAGO, IL

Going Green Campaign

As climate change becomes more of a reality, the need for collective action to steward our environment becomes a growing necessity. Every year in the past, ChoMUN printed tens of thousands of pages of paper for delegate materials. Printing these materials represented a significant carbon and environmental footprint. ChoMUN is therefore proud to launch the Going Green Campaign this year to reduce our footprint.

The Going Green Campaign is an ongoing endeavor to reduce the environmental impact of ChoMUN. Our most significant project this year is to replace the majority of delegate materials with an e-handbook that will be available on our delegates' smart devices. This alone is estimated to save over 24,000 pages of paper and ink.

In addition to other efforts undertaken by our leadership, the ChoMUN Secretariat would like to encourage all delegates to do their part in decreasing their carbon footprint by recycling materials, reducing use of disposable items, and using public transportation wherever possible. Together we can make a difference in the world of tomorrow. Thank you for your support in the Going Green Campaign!

LETTER FROM THE SECRETARY GENERAL

Dear Delegates, Faculty Advisors, and Friends,

It is both a privilege and an honor to welcome you to the eighteenth session of the Chicago Model United Nations Conference. ChoMUN XVIII will be held from Thursday, April 2nd through Sunday, April 5th, 2015 at the Palmer House Hilton in downtown Chicago, and I hope all of you make it to the Windy City to partake in this very special event.

Built upon eighteen years of conference organizing and countless years of competing, ChoMUN has grown from the small brainchild of a few ambitious delegates into a fully-fledged conference – in fact, the largest crisis conference in North America. While expanding into an organization of over two hundred staff and eight hundred delegates, we haven't lost the passion for crisis committees that drove us to create ChoMUN eighteen years ago.

At ChoMUN, we aim to refine, expand, and challenge the traditional notions of what a crisis committee can be. In doing so, we trust our executives, those with experience running and staffing committees, to design fast-paced and flexible committees in order to create the best possible delegate experience. These committees – the core of ChoMUN – range widely in time, space, and format. Our earliest committee, The Court of Yazdegerd III, places delegates in the 7th century Sasanian Empire, where they must stand as advisors to a child king in combatting Persia's old enemy, the Byzantine Empire, as well as a threat coming from Arabia. We speed forward in time to China's present-day National Security Council, where delegates can gaze at the world, admire their own power, and seek to expand it in an anarchic world, with a view from Beijing.

However, ChoMUN isn't just about running national cabinets – delegates will get the chance to build Las Vegas with black money in Viva Las Vegas: Organized Crime and the Rise of Sin City while avoiding terrorism while making sure to make a few bucks in the Indian Premier League, 2009. With locales ranging from Puritan Massachusetts to the Hawaii's pleasant shores and historical personages ranging from Elizabeth I to Fidel Castro and Deng Xiaoping looks to be the most exciting ChoMUN yet! Lastly, as ChoMUN turns eighteen, we're launching our very first Ad-Hoc Committee of the Secretary-General, which has me wishing I could compete at ChoMUN this year.

Ultimately, we're not only looking to run some of the fastest and most flexible committees, but also a world-class and smoothly operating conference. All of ChoMUN Secretariat is working to ensure that this year's ChoMUN is the best yet, and to that end we welcome any suggestions and/or feedback from anyone involved with ChoMUN in past years, whether as a delegate, advisor, or a staffer. See you in April!

Regards,

Jesse Z. Orr

CONFERENCE POLICIES

Attendance: All delegates are expected to arrive promptly at the start of each committee session and are expected to stay for the duration of each committee session. In the event that a delegate needs to leave – be it for religious reasons or an unforeseen emergency – please alert your chair as soon as possible. All requests for an exit of committee room due to religious observances will be granted without question and will not count negatively towards the determination of awards. Head Delegates are allowed to leave their committees at any time to attend to the needs of their delegations, but are advised to alert their Chair if they will be absent from their committee session for an extended period of time.

Dress Code: Western Business Attire must be worn to all committee sessions, without exception. For men, this consists of a dress shirt, coat, slacks, and tie. For women, this includes a dress blouse, and a skirt or slacks. Appropriate footwear of some kind must be worn at all times in the hotel in accordance with Chicago city law. National attire is also allowed.

Placards and Badges: Placards and badges will be provided to all delegates at the start of conference. Badges must be worn at all times in the hotel in order to identify individuals as participants in ChoMUN. Badges will be required for admittance to all ChoMUN social events. ChoMUN Secretariat and the University of Chicago reserve the right to deny entrance to social events should an individual not have a badge. If badges or placards are defaced or misplaced, there will be a \$5 replacement fee. Badge or placard replacement requests may be made at the Registration and Information Desk located on the 6th Floor for the duration of conference.

The following colors will be used to identify conference participants:

- » **ChoMUN Secretariat: Red**
- » **ChoMUN Committee Staff: Blue**
- » **Faculty Advisors: Yellow**
- » **Delegates: White**

Computer Policy: Computers are not allowed inside the committee room at any point in time. At the Chair's discretion, committees will be allowed to use their laptops to type documents outside the committee room.

Alcohol and Drug Policy: Only those age 21 or older may consume alcohol in the State of Illinois and City of Chicago. Open containers of alcohol may not be carried in public areas, including committee rooms and hallways. Furthermore, delegates found possessing or using illicit drugs, as defined by United States Federal Law, will be required to leave immediately and may be held criminally liable.

Valuable Items: If delegates choose to bring valuable items, they are encouraged to place them in the Safety Deposit Boxes of their hotel rooms. ChoMUN and the Palmer House Hilton Hotel are not responsible for the loss and/or damage of such items.

Additional Rules: ChoMUN Secretariat and the University of Chicago reserve the right to immediately expel delegates from both the conference and the hotel in the event of inappropriate behavior. Serious infractions on the part of even a single delegate may lead to his or her dismissal – without refund – from the conference. If a delegate is dismissed from the conference, his or her delegation is automatically disqualified from individual and conference awards. The Secretariat reserves the right to define appropriate conference behavior and is particularly sensitive to issues involving displays of disrespect to other delegates, conference and hotel staff, and the use of illicit drugs.

Awards Policy:

Delegation Awards: Four delegation awards will be given out at conference, to the Best Large, Best Small, Outstanding Large, and Outstanding Small delegations. A delegation's total points will be determined by the mean of the total points and per-capita points it earns, with both being weighted equally. Should there be any changes to these criteria, these will be announced at the Head Delegate meeting on Thursday, April 2nd, 2015.

Individual Awards: At the Chair's and Crisis Director's discretion, each committee will give out four types of awards: Verbal Commendation, Honorable Mention, Outstanding Delegation, and Best Delegation. These will be determined based on the delegate's adherence to conference policies and the quality and impact of their participation during every committee session. This includes, but is not limited to, quality speeches, directive, crisis actions, bloc building, and resolutions.

Hotel Policy:

Delegations must follow all rules and regulations set forth by the Palmer House Hilton Hotel in addition to all laws of the City of Chicago and the State of Illinois. Individuals will be held responsible and liable for vandalism and all other damages that occur in hotel rooms. The Hotel reserves the right to eject individuals for any disruptions to the safety and well being of other hotel guests without refund. Delegates are welcome to ask members of ChoMUN Secretariat any hotel related questions.

Check in and Check Out: Check in time is 3:00 PM and check-out time is Noon. All other times must be arranged with the Palmer House Hilton Hotel directly. Further information on check out procedures will be provided during Head Delegate meeting on Thursday April 2nd, 2015.
